

IL-XM70 series Ø70 modular tower lights

Technical data - Electrical ratings

Voltage supply	12VDC to 24VDC 24VAC, 110VAC, 220VAC
Signal type	Continuous (S) Strobe (Ç) Flashing (F) Rotation (D)
Power consumption with buzzer	1-2W
Buzzer output	90dB
Dimensions	see drawings
Weight approx	110 gr base + 110 gr per color
Housing material	polycarbonate
Base material	abs
Connection	Cable
Buzzer tone type	Continuous or flashing
Protection	IP54 / IP65

Mounting options

Temperature

High IP value

Shock / Vibration resistant

Magnetic field proof

SMD LED Light
